About IDA

A handful of designers, thinkers and entrepreneurs created the International Design Awards in 2007 as a response to the lack of recognition and celebration for smart and sustainable multidisciplinary design. The International Design Awards (IDA) exists to recognize, celebrate and promote legendary design visionaries and to uncover emerging talent in Architecture, Interior, Product, Graphic, and Fashion Design. IDA aspires to draw attention to the iconoclasm of design world wide, conceptualizing and producing great work.
